3. About Us

At Essex Carpenters, we take pride in delivering high-quality carpentry work backed by over 10 years of hands-on experience in the construction industry.

Founded by Claudiu Doca and Veaceslav Braghis, we work with homeowners, landlords,

businesses and contractors across Essex and East London. From fitting a single door to completing full refurbishment projects, we approach every job with professionalism, attention to detail and a commitment to quality.

We believe in turning up when we say we will, communicating clearly and completing work to a standard we are proud to put our name to.

Fully insured with £5 million public liability cover, we provide a reliable and professional service from first enquiry through to project completion.
